

Long Island Flower Growers' Association
Invites you and your Staff to our
Fall Dinner Meeting

Hosted by

C. J. Van Bourgondien Greenhouse
39395 NY-25, Peconic, NY 11958

Monday, October 30, 2017

SPECIAL DINNER SPEAKER:

Dr. P. Allen Hammer

***"Growing Poinsettia with Excitement
and a Few New Spring Plants"***

Allen is a technical specialist for Dümmer North America and was a greenhouse extension specialist and professor at Purdue University from 1973-2006. He worked with Indiana growers to solve innumerable greenhouse production problems and to provide advice and counsel on issues related to floriculture. Allen was the lead scientist on the National Poinsettia Trial.
